### **New 2012 timetable attached**

Please note there have been several class changes and the addition of several new classes. If you are unsure of which class to attend or wish to join a new one, please contact your class teacher, or drop an email to Tori at [perform@jamaeraw.org](mailto:perform@jamaeraw.org). There has been a slight price increase. We have been lucky to keep the prices frozen for the past 2 years. We are still one of the most competitively priced arts schools in the southern suburbs and feel the prices reflect the quality of our experienced teachers.

### **Enrolment Forms for 2012**

Please complete a new enrolment form (attached) and hand to your teacher at your first class. This information is used as emergency contact for students, to send invoices, newsletters and performance information. We have asked that you include a parent email, as well as a student email (if they have a separate one). This is so that we can send information such as scripts or lyrics direct to specific class groups. None of your personal information is shared with anyone outside of Jamaeraw.

We also have a communication book with the role, so questions can be followed up that way.

### **Student Conduct**

These simple steps ensure your child's safety and help keep the lessons running smoothly:

- Please can students be on time so that late comers don't disrupt the rest of the class.
- Students to bring only healthy snacks to the longer classes, which can be eaten outside of the hall, during allocated breaks.
- Please bring a bottle of water to every class. Only water to be consumed inside the hall.
- Teachers are only responsible for students until the end of the lesson. They often have another lesson following, and are therefore unable to supervise students in the carpark area. For safety, we ask that all parents pick their children up from the classroom at the end of the lesson.

### **Annual General Meeting:**

Open invitation for all to the Jamaeraw AGM. Held in the music room, Willunga Waldorf School, Monday 13<sup>th</sup> February, 7pm. Come and find out what makes Jamaeraw tick!!

### **“13” – The Musical**

Jamaeraw has recently purchased the rights to this contemporary new musical, with music and lyrics by Jason Robert Brown. The show centres on the life decisions and dilemmas of 13 year old Evan Goldman. This production will be performed on the final night of the Upraw Festival, and is not limited to just students at Jamaeraw. Open auditions for cast leads and chorus (age range 12 – 17) will be held January 28<sup>th</sup>, 11am – 5pm. We also require talented musicians – piano, drums and guitar (ages 13 – 21), and production team – stage crew, set design, props, costuming and marketing (ages 15 – 21). Please pass this information onto any young person who may have an interest in theatre performance and production. Register your interest in any of the above roles at [perform@jamaeraw.org](mailto:perform@jamaeraw.org)

### **Website:**

Our website has undergone quite a few changes over the last few months. We have new sections for student performance information, timetables and enrolments, as well as up to date advertisements about “13 the musical” auditions and holiday classes. Coming soon will be teacher biographies and “where are they now?” for past students. We also have some great photos and a promo video starring our current students.
